

A LIGHTHOUSE IN A FOGGY WORLD

**A Lighthouse in a foggy world
O, Lord Help us to be.
A beacon glowing through the night...
To guide someone to Thee.**

**In raging seas and dark of night...
A ship was lost from shore.
And then the lighthouse beamed its light...
That ship was lost no more.**

**A lighthouse in a foggy world.
A searchlight glowing far in view.
The only lighthouse others see...
May be the light in you.**
