

Father, Son, and Holy Spirit  
Oh blessed trinity  
One living God , divinely three

You make of me Your dwelling place  
You guide me in all truth  
Anoint my life for serving You  
Erase my sins of youth

Pour into me and fill me up  
Your love I can't deny  
You search me through and know my thoughts  
Of Christ You testify

You teach me how to yield each day  
And make the holy choice  
Oh breath of life, flow through me now  
You are my still small voice

You know me more than I myself  
And lead me by the hand  
You counsel me in ways of life  
To help me understand

Bestowing me with gifts unearned  
Defending me from sin  
Like mighty wind, expose my guilt  
Restore me from within

My praise for You will never cease  
Be my one desire  
I'm sealed until redemption day  
Warmed by holy fire

Renewing as the latter rain  
Your love is so immense  
Regenerating hearts for Christ  
With fruitful evidence

The stamp of Your eternal pledge  
Proves purchase at a price  
Your gift of grace is free for all  
By faith in Jesus Christ
